

**Leland Public School**

**iPad Usage Fee for 2018-2019 school year**

Dear Parent/Guardian,

This year we are issuing brand new iPads in special protective keyboard cases to all students. We also have purchased insurance policies for each iPad in case of accidental damage. The taxpayers of Leland have generously passed Technology and Bus Bonds that benefit Leland Public School. The Technology and Bus Bond pays for the hardware cost of these new iPads. Expenses such as insurance, software, and administration are not covered by the bond, and that is why annually we ask for an iPad usage fee for each student in grades 3-12 that will have iPads personally issued to them.

**The fee is \$20, payable in cash or check to Leland Public school.**

If your family is in need this fee may be waived - guidelines are on the back of this page.

Please note that in addition to the fee each student must also fill out and agree to our Technology Acceptable Use Policy document to make use of iPads and the school network. The use policy also covers the fees for damages, repairs, and lost equipment. Please take the time to read and go over the Use Policy with your student.
